How do I register as a Peer Support Provider or a Clinician?

View this quick guide to learn how!
Step 1: Navigate to [https://redlinerescue.org/](https://redlinerescue.org/)

- Select the “Register” link from the navigation bar.
Step 2: Complete Your Registration Form

- Enter your information into the form provided and select the “Submit” button.
Step 3: Log In

• Enter the username and password you just created, and select the “Log In” button.
Step 4: Select Your Form

- Once logged in, you will be provided with access to fill out either a Peer Support Provider Form, or a Clinician Form.
- Choose the form best suited to you and complete it.
Step 5: You’re Done!

- A Redline Rescue administrator will be notified of your registration and form submission.

- They will review your entry, and if approved, it will be available on the site in a few days.

- If you have any questions or need assistance, please contact support@redlinerescue.org
